

**Construction & Maintenance
Division**

**February CMD Program
Leadership in Energy and
Environmental Design [LEED]**

**Philip Smith
Rochester Joint Apprenticeship Training Committee**

**Tuesday, February 9, 2010
5:30 p.m.**

Wishing Well Restaurant, Chili Ave

This program will provide an understanding of the “Why” of green and sustainable buildings as well as provide an introduction to the LEED Green Building Rating System. Attendees will learn how LEED will benefit them, what a LEED Accredited Professional [AP] is and how LEED will impact their work.

Vendor Displays Start at 5:00 p.m.
